Gentlemen:

We have reviewed your application to commingle Ranger Lake Penn Production from the N/2 NW/4, N/2 SW/4 of Section 41, Township 13 South, Range 34 East, Lea County, New Mexico.

By reason of the fact that the production is derived solely from Ranger Lake Penn, that it only involves New Mexico State Lease E-9247, and there is only one State Beneficiary included, please be advised that the Commissioner of Public Lands has no objection to your commingling proposal. In the event that you wish to alter your facilities, please notify us.

Very truly yours,
