Attention: Mr. Norman L. Stevens, Jr.

Administrative Order CTB-181

Gentlemen:

Reference is made to your applications dated December 1, 1967, December 20, 1967, and February 13, 1968, for administrative approval of an exception to Rule 309-A of the Commission Rules and Regulations to permit the commingling of Inbe-Pennsylvanian production from your Humble "A" State Lease comprising the E/2 NE/4 of Section 26 and your Humble "B" State Lease comprising the S/2 SW/4 of Section 24, Township 10 South, Range 33 East, NMPM, Lea County, New Mexico. It is our understanding that the ownership of these leases is identical throughout and that you therefore propose to commingle said production allocating same to each lease on the basis of monthly well tests.

Under the authority granted me pursuant to Rule 309-B, you are hereby authorized to commingle the above-described production as proposed, subject to the provisions of the Commission "Manual for the Installation and Operation of Commingling Facilities."

Very truly yours,

A. L. PORTER, Jr.
