Administrative Order CTB-193

Gentlemen:

Reference is made to your application dated January 13, 1969, for administrative approval of an exception to Rule 309-A of the Commission Rules and Regulations to permit the commingling of Eunice Grayburg San Andres production from your State "AW" Lease and your State "AX" Lease comprising the NE/4 NE/4 and SE/4 NE/4, respectively, of Section 16, Township 21 South, Range 36 East, Lea County, New Mexico, allocating the production on the basis of periodic well tests. We are now in receipt of the approval of the Commissioner of Public Lands to the proposed commingling.

Inasmuch as the ownership of the two leases is identical throughout, you are hereby authorized, pursuant to Rule 309-B, to commingle the above-described production as proposed, subject to the provisions of the Commission "Manual for the Installation and Operation of Commingling Facilities."

Very truly yours,

A. L. PORTER, Jr.
