Gentlemen:

Pan American Petroleum Corporation respectfully requests that Administrative Order CTB-194 dated March 13, 1969, be revised to permit the commingling of San Andres oil production from the SOLSBERY FEDERAL OIL COM LEASE, comprising the E/2 SE/4 of Section 29, T-7-S, R-36-E, Roosevelt County, New Mexico, with San Andres oil production from the Peterson "A" Federal and Spradley Fed. Leases.

Production from this lease shall be separately metered and sampled, and the installation and maintenance shall be in accordance with the "Manual for the Installation and Operation of Commingling Facilities."

There shall be no reduction in the commercial value of the production since all leases produce from a common source.

By certified mail, copies of this letter are being sent to all ownership interests, the purchaser, and the pipe line company.

Yours very truly,

V. E. Staley
Area Superintendent

Attention: Mr. V. E. Staley

Administrative Order CTB-194

Gentlemen:

Reference is made to your application dated February 14, 1969, for administrative approval of an exception to Rule 309-A of the Commission Rules and Regulations to permit the commingling of Todd Lower San Andres production from your Peterson "A" Lease which comprises the SW/4 and W/2 NW/4 of Section 29 and the S/2 SW/4 of Section 20 and your Spradley Federal Lease which comprises the W/2 of the SE/4 of Section 29, all in Township 7 South, Range 36 East, Roosevelt County, New Mexico, after separately metering the production from each lease. We are now in receipt of the consent of the United States Geological Survey to the proposed commingling.

Under the authority granted me pursuant to Rule 309-B, Pan American Petroleum Corporation is hereby authorized to commingle the above-described production as proposed, subject to the provisions of the Commission "Manual for the Installation and Operation of Commingling Facilities," including the requirement for non-reset counters on the meters and temperature-compensated meters. Please notify the Hobbs District Office of the Commission at such time as this installation is complete in order that an inspection may be made thereof.

Very truly yours,

Gentlemen:

Pan American respectfully requests and submits this application for Administrative approval to commingle TODD Lower San Andres oil production from the following leases:

Section 20 & 29, T-7-S, R-36-E, NMPM
Roosevelt County, New Mexico

Peterson "A" Federal Lease
SW/4, W/2 NW/4 Section 29
S/2 SW/4 Section 20

Spradley Federal Lease
W/2 SE/4, Section 29

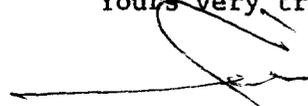

The storage facility located in the SW/4 SW/4 of Section 29, T-7-S, R-36-E, shall be known as the TODD Storage System. A schematic of the facility, together with a plat depicting the leases and wells involved, are attached.

Production from each lease shall be metered and sampled separately and the installation shall be made and maintained in accordance with the "Manual for the Installation and Operation of Commingling Facilities."

There shall be no reduction in the commercial value of the commingled production since both leases produce from a common source.

By copies of this letter, which are being mailed by "Certified Mail" to all ownership interest owners, purchaser, and pipe line, we are advising of our intent to commingle.

Yours very truly,

V. E. Staley
Area Superintendent
