AMENDMENT

Administrative Order CTB-195

Gentlemen:

Reference is made to your letter dated April 22, 1969, advising that the ownership of your Midway State Well No. 1, located in Unit F of Section 12, Township 17 South, Range 36 East, Lovington-Devonian Pool, Lea County, New Mexico, is somewhat different from the ownership of the other wells on your Midway Drilling Block, at least temporarily, and that you therefore propose to meter the production from said well prior to commingling it with that of other wells on the drilling block. This separate metering will continue until this well's ownership reverts back to that of the original drilling block.

Administrative Order CTB-195 is hereby amended to provide for the separate metering of the production from said Well No. 1.

Very truly yours,

A. L. PORTER, Jr.
