Re: Off Lease Storage and Measurement of
Hydrocarbon Production for:
Brigham H LC-029342
Section 21, T17S, R30E
Eddy County, New Mexico

Please consider this letter as official notification of Mack Energy Corporation's request for administrative approval from the NMOCD for Off Lease Storage and Measurement for the Brigham H (State of NM Lease LC-029342).

The Off Lease Storage and Measurement facility will be located on the Berry A Federal lease, in the NW/4 NE/4 of Sec. 21-T17S-R30E. There will be no commingling of the two leases. Proper allocation for production will be measured at the battery. Enclosed with this notice you will find copies of all documentation Mack Energy sent to both the Oil Conservation Division and the Bureau of Land Management for approval.

If you have any objections to this intent, please notify the Oil Conservation Division within twenty (20) days of receiving this notification.

Sincerely,

MACK ENERGY CORPORATION

Eddy County, New Mexico*

Please consider this letter as official notification of Mack Energy Corporation's request for administrative approval from the NMOCD for Off Lease Storage and Measurement for the Brigham H (State of NM Lease LC-029342).

The Off Lease Storage and Measurement facility will be located on the Berry A Federal lease, in the NW/4 NE/4 of Sec. 21-T17S-R30E. There will be no commingling of the two leases. Proper allocation for production will be measured at the battery. Enclosed with this notice you will find copies of all documentation Mack Energy sent to both the Oil Conservation Division and the Bureau of Land Management for approval.

If you have any objections to this intent, please notify the Oil Conservation Division within twenty (20) days of receiving this notification.

Sincerely,

MACK ENERGY CORPORATION
