RE: ^{SUSPENDED} Application to ~~Amend~~ ^{SUSPENDED} Commingling Order PLC-95
Lea County, New Mexico

Mr. Catanach:

Burlington Resources Oil & Gas Company respectfully requests to amend Commingling Order PLC-95. Upon completing the East Corbin Delaware Unit, the decision was made to separate the production for the unit only. Therefore, commingling order PLC-95 is amended for the East Corbin Delaware Unit production (NM91067X) in the West Corbin Delaware pool.

EAST CORBIN DELAWARE UNIT (NM91067X) PRODUCTION:

<u>well Number</u>	<u>BOPD</u>	<u>MCFPD</u>	<u>WATER</u>	<u>FORMATION</u>
Well No. 1	11	14	30	Delaware
Well No. 2	47	09	41	Delaware
Well No. 3	168	12	58	Delaware
Well No. 4				Injection
Well No. 5	03	02	06	Delaware
Well No. 6				Injection
Well No. 7	16	09	11	Delaware
Well No. 8	47	09	36	Delaware
Well No. 9				Injection
Well No. 10	10	10	06	Delaware
Well No. 11				Injection (Pro.)

All the production is stored in ECDU battery located in Unit F, Sec. 22, T18S, R33E, Lea County, New Mexico. With all interest ratified under the unit agreement, production is allocated back by well tests. All production is ran through a lact unit prior to Texas-New Mexico pipeline transporting it.

Burlington Resources realizes that this is not commingling; however, is for information basis only.
