Attached is a revised schematic illustrating how the Federal & State leases will be separately "metered" as requested by your office.

The Cable(Fee) lease will also be separately "metered", but I did not include a schematic since there have been no revisions since the original application of Oct. 23, '97.

Give me a call if you have questions (915) 687-7284.

Thanks,  
Craig
