Dear Mr. Stone,

Amerada Hess Corporation respectfully request an amendment to Commingling Order No. PLC-142 to include a recent recompletion of Turner "A" Well No. 15 from Skaggs Abo Zone (56639) to Skaggs Drinkard Zone (57000). Well was recompleted due to non-productive status of Abo Zone.

Turner "A" Well No. 15, Property No. 21590, API No. 30-025-34143, Skaggs Drinkard Zone, is currently producing 10 B.O./D., 70 B.W./D., & 20 MCFGPD. Oil Specific Gravity = 32.2.

Your consideration in this matter is appreciated.

Sincerely,

Roy L. Wheeler, Jr.
