RE: Application For Administrative
Approval to Convert Six (6)
Unit Wells to Water Injection
Wells In North Caprock Queen
Unit No. 1
Lea & Chaves Counties, New Mexico

Gentlemen:

Attached please find waivers to objection of expansion of North
Caprock Queen Unit No. 1 water flood project.

We note an error in the application dated August 30, 1958 in
the location of Unit Well No. 5-12. The location should be the
NW/4 SW/4 Section 5, Township 13 South, Range 32 East, instead of
the SW/4 NW/4 Section 5, Township 13 South, Range 32 East, as it appears
in the application for expansion.

We would appreciate the cooperation of the Commission in correct-
ing this error in the application.

Yours very truly,
