Gentlemen:

Reference is made to your letter of October 24, 1963, requesting permission to substitute your Leonard Federal Well No. 10 as a water injection well in lieu of Leonard Federal Well No. 1, both wells being located in Unit L of Section 34, Township 16 South, Range 30 East, Eddy County, New Mexico, in the Square Lake Pool. Leonard Federal Well No. 1 was authorized for conversion to water injection by Administrative Order WFX-88.

Inasmuch as Leonard Federal Well No. 10 was cased with sufficient surface casing to protect the fresh water aquifers in the area, you are hereby authorized to make substitution of Well No. 10 for Well No. 1 in Administrative Order WFX-88. All provisions of WFX-88 shall also pertain to Leonard Federal Well No. 10.

Very truly yours,

A. L. PORTER, Jr.,  
Secretary-Director
