**P. O. Box 305**  
**Artesia, New Mexico**

**Attention: Mr. Harold Kersey**

**Gentlemen:**

Reference is made to your application to expand your Twin Lakes flood in the Artesia Pool by the addition of three wells as water injection wells. Inasmuch as well No. 1 is located only 270 feet from the lease line instead of the required 330 feet, it is requested you supply this office with a copy of the letter from Graridge granting their consent, as offset operator, to said unorthodox location.

Very truly yours,

**J. E. KAPTEINA**
