Re: Administrative Order  
WFX-152

Gentlemen:

Reference is made to Administrative Order WFX-152, which authorized Union Oil Company to place nine additional wells on water injection in the South Caprock Queen Unit Waterflood Project, Caprock Queen Pool, Chaves County, New Mexico.

While Order No. WFX-152 did not specifically authorize Tract 40 Well No. 6-29 to be located at a non-standard location, it is our interpretation that the location as given in the application 1980 feet from the North line and 1610 feet from the West line of Section 19, Township 15 South, Range 31 East, NMPM, has been approved.

Very truly yours,

A. L. PORTER, Jr.,
