ADDRESS CORRESPONDENCE TO:  
STATE CAPITOL  
SANTA FE, N. M.

Mr. A. L. Porter, Jr.  
Secretary-Director  
Oil Conservation Commission  
Santa Fe, New Mexico

Dear Mr. Porter:

Reference is made to the application of Harold Kersey and Company which seeks approval to expand the Twin Lakes Flood by converting the following wells to injection:

Twin Lakes	Well No. 7	Unit M - Sec. 28, T. 18 S., R. 28 E.
Twin Lakes	Well No. 1	Unit M - Sec. 28, T. 18 S., R. 28 E.
Yates	Well No. 2	Unit C - Sec. 33, T. 18 S., R. 28 E.
Yates	Well No. 3	Unit D - Sec. 33, T. 18 S., R. 28 E.

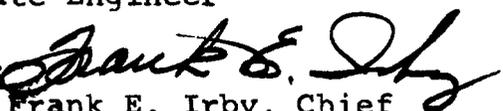

Enclosed are copies of my inquiry to Mr. Kersey and his reply.

In view of the statements in his letter of June 7, 1965, it appears that no threat of contamination to any fresh waters which may exist in the area will occur. Therefore, this office offers no objection to the granting of the application.
