Gentlemen:

Reference is made to your application dated March 11, 1969, requesting approval for the conversion of Mobil Oil Corporation's New Mexico "U" Well No. 1 located in Unit B of Section 32, Township 17 South, Range 31 East, NMPM, to water injection.

The application cannot be approved inasmuch as Atlantic Richfield is not the operator of the well in question and will not be considered unless ownership of the well has been changed to Atlantic Richfield Company, or the area has been unitized.

If and when this office has received the proper forms showing such change, your application will then be considered if eligible according to the terms of Rule 701 E-5 and has been filed in triplicate.

Very truly yours,

A. L. PORTER, Jr.
