Re: Administrative Order WFX No. 460  
Myers Langlie Mattix Unit Expansion  
Langlie Mattix Pool  
Lea County, New Mexico

Gentlemen:

We respectfully request administrative approval to substitute Well No. 85 for Well No. 84 as an injection well in the above order. This change is necessary for a cooperative lease line agreement with the offsetting Carter Foundation Waterflood. Well No. 85 is located in UNIT Letter K, Section 34-T23S-R37E. A downhole sketch of this well is attached.

Very truly yours,
