Dear Sir:

In accordance with Rule 11 of the Commission Order No. R-3229 of May 3, 1967, which authorized Coastal's operation of a pressure maintenance project in its Flying "M" (San Andres) Unit, Flying "M" (San Andres) Field, Lea County, New Mexico, Coastal States hereby requests permission to convert the below listed previously producing oil well to water injection.

Flying "M" (San Andres) Unit Tract No. 21 Well No. 1 - located
in Unit B, 660' FNL and 1983' FEL, Section 32, Township 9 South,
Range 33 East.

As requested by Paragraphs (1) and (2) of Rule 11, we are attaching a location plat, which shows the location of the above proposed injection well and all wells within the project area and a schematic drawing which describes the downhole completion and injection intervals. Also enclosed for your information is a copy of our letter to the offset operators by which they were furnished a copy of this application with Form C-103, "Notice of Intention to Convert to Injection," as evidence of notification to them of the planned conversion project.

We will appreciate your advising of your approval of this project as soon as possible. Should you require additional information or data, please advise.

Very truly yours,

Joe R. Howard

Division Production Superintendent
