Dear Sir:

In accordance with Rule 11, of Commission Order No. R-3229 of May 3, 1967, which authorizes Coastal's operation of a pressure maintenance project in the Flying "M" (San Andres) Unit Area, Flying "M" (San Andres) Pool, Lea County, New Mexico, Coastal States hereby requests permission to convert the below listed previously producing oil wells to water injection:

Flying "M" (San Andres) Unit Tract 10 Well No. 4 - Located in Unit M, 664' FWL and 659' FSL, Sec. 16, T-9-S, R-33-E, Lea County, New Mexico.

Flying "M" (San Andres) Unit Tract 15 Well No. 3 - Located in Unit P, 525' FSL and 797' FEL, Sec. 21, T-9-S, R-33-E, Lea County, New Mexico.

Flying "M" (San Andres) Unit Tract 25 Well No. 3 - Located in Unit L, 1980' FSL and 661' FWL, Sec. 28, T-9-S, R-33-E, Lea County, New Mexico.

As required by Paragraphs (1) and (2) of Rule 11, we are attaching location plats, which show the locations of the above proposed injection wells and all wells within the project area, and a schematic drawing which describes the downhole completion and injection intervals for the wells.

If this application for conversion of these wells to injection is in order, we will appreciate your advising your approval of the projects as soon as possible. If you will need any additional information or further data, please let me know.

Very truly yours,

James B. Shepherd, Jr.
