RE: REQUEST APPROVAL TO CONVERT
CANADA OJITOS UNIT #19 (A-14)
TO GAS INJECTION WELL

Gentlemen:

14 Benson-Montin-Greer Drilling Corp. as Unit Operator of Canada Ojitos Unit hereby makes application to New Mexico Oil Conservation Commission for approval to convert Canada Ojitos Unit #19 (A-14) well located NE $\frac{1}{4}$ NE $\frac{1}{4}$ of Section (19) Township 24 North, Range 1 East to a gas injection well. This application is submitted as provided in Rule 10 of NMOCC order number R-3401. *West*

Enclosed herewith are the following:

1. Plat showing the location of proposed injection well, all wells within project area (subject to approval by NMOCC of application for expansion) and wells which offset expanded project area.
2. Schematic drawing of proposed injection well.

Benson-Montin-Greer is the operator of the following oil wells which offset the expanded project area:

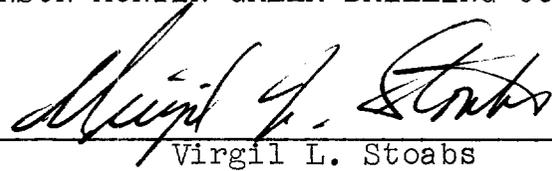

Federal #17-32 $SE\frac{1}{4}SW\frac{1}{4}$, Sec. 32, T 25N, R 1E
Arellano #1 $SE\frac{1}{4}NW\frac{1}{4}$, Sec. 5, T 24N, R 1E
Renco #1 $SE\frac{1}{4}SW\frac{1}{4}$, Sec. 5, T 24N, R 1E

Benson-Montin-Greer respectfully requests NMOCC approval to convert Canada Ojitos Unit #19 (A-14) to a gas injection well.

Cordially yours,

BENSON-MONTIN-GREER DRILLING CORP.
