ADMINISTRATIVE ORDER
OF THE OIL CONSERVATION COMMISSION

Under the provisions of Rule 701 (c) Shell Oil Company made application to the New Mexico Oil Conservation Commission on December 19, 1958, for permission to convert for salt water disposal, its Sarkey's Well No. 5 located in the NE/4 SE/4 of Section 23, Township 21 South, Range 37 East, NMPM, Lea County, New Mexico, in such a manner as to permit the injection of salt water for disposal purposes, into the San Andres formation from 4160 feet to 4502 feet.

NE/4 SW/4

The Secretary-Director Finds:

- (1) That application has been duly filed under the provisions of Rule 701 (c) of the Commission Rules and Regulations;
- (2) That satisfactory information has been provided that all offset operators, surface owners and New Mexico State Engineers Office have been duly notified; and
- (3) That the applicant has presented satisfactory evidence that all requirements prescribed in Rule 701 (c) will be met,
- (4) That no objections have been received within the waiting period as prescribed by said rule.

IT IS THEREFORE ORDERED:

That the applicant, herein, Shell Oil Company, be and it hereby is authorized to convert for salt water disposal its Sarkeys Well No. 5, located in the NE/4 SE/4 of Section 23, Township 21 South, Range 37 East, Lea County, New Mexico, in such manner as to permit the injection of salt water for disposal purposes, into the San Andres formation from 4160 feet to 4502 feet.

NE/4 SW/4

IT IS FURTHER ORDERED; That jurisdiction of this cause is hereby retained by the Commission for such further order or orders as may seem necessary or convenient for the prevention of waste and/or protection of correlative rights; upon failure of applicant to comply with any requirement of this order after proper notice and hearing the Commission may terminate the authority hereby granted in the interests of conservation. That applicant shall submit monthly reports of its disposal operation in accordance with Rules 704 and 1119 of the Commissions Rules and Regulations.

APPROVED at Santa Fe, New Mexico, on this 13th day of January, 1959.

STATE OF NEW MEXICO
OIL CONSERVATION COMMISSION

A. L. Porter, Jr.

Secretary-Director

SEAL

1. The first part of the document discusses the importance of maintaining accurate records of all transactions and activities. It emphasizes that this is crucial for ensuring transparency and accountability in the organization's operations.

2. The second part of the document outlines the various methods and tools used to collect and analyze data. It highlights the need for consistent and reliable data collection processes to support effective decision-making.

3. The third part of the document focuses on the role of technology in data management and analysis. It discusses how modern software solutions can streamline data collection, storage, and reporting, thereby improving efficiency and accuracy.

4. The fourth part of the document addresses the challenges associated with data management, such as data quality, security, and integration. It provides strategies to overcome these challenges and ensure that the data is reliable and secure.

5. The fifth part of the document discusses the importance of data governance and compliance. It outlines the necessary policies and procedures to ensure that data is handled in accordance with relevant laws and regulations.

6. The sixth part of the document explores the benefits of data-driven decision-making. It illustrates how data can provide valuable insights into organizational performance, customer behavior, and market trends.

7. The seventh part of the document discusses the role of data in strategic planning and forecasting. It explains how data can be used to identify opportunities, assess risks, and make informed decisions about the organization's future.

8. The eighth part of the document addresses the importance of data literacy and training. It emphasizes that all employees should have the necessary skills and knowledge to effectively use data in their work.

9. The ninth part of the document discusses the role of data in innovation and research. It highlights how data can be used to identify new market opportunities, develop new products, and improve existing processes.

10. The tenth part of the document concludes by summarizing the key points discussed throughout the document. It reiterates the importance of data in driving organizational success and provides a call to action for all stakeholders to embrace data-driven practices.

11. The final part of the document provides a list of references and resources for further reading. It includes books, articles, and online resources that provide additional information on data management and analysis.
