ADDRESS CORRESPONDENCE TO:  
STATE CAPITOL  
SANTA FE, NEW MEXICO 87501

Mr. A. L. Porter, Jr.  
Secretary-Director  
Oil Conservation Commission  
Santa Fe, New Mexico

Dear Mr. Porter:

Reference is made to the application of Socony Mobil Oil Company Inc.'s application to dispose of salt water by injection into a porous formation through their U.D. Sawyer No. 1 well in Unit A of Sec. 22, T. 9 S., R. 36 E., and to Mr. J. C. Gordon, Jr.'s letter to me under date of October 23, 1965 and the diagrammatic sketch attached thereto. Copies of all of the referenced material have been indicated as sent to your office.

This office offers no objection to the granting of the application, provided it is constructed and equipped as shown on the revised diagrammatic sketch attached to Mr. Gordon's letter showing the cement top on the 5½" casing to be at 4400' and the additional data on the mating of the plastic-coated tubing and the 5½" casing.
