

SUBJECT: SALT WATER DISPOSAL WELL

ORDER NO. SWD-96

THE APPLICATION OF SOLAR OIL COMPANY
FOR A SALT WATER DISPOSAL WELL.

ADMINISTRATIVE ORDER
OF THE OIL CONSERVATION COMMISSION

Under the provisions of Rule 701 (C) Solar Oil Company, made application to the New Mexico Oil Conservation Commission on January 27, 1969, for permission to complete for salt water disposal its E. C. Hill "A" Well No. 1 located in Unit O of Section 27, Township 23 South, Range 37 East, NMPM, Lea County, New Mexico.

The Secretary-Director finds:

1. That application has been duly filed under the provisions of Rule 701 (C) of the Commission Rules and Regulations;
2. That satisfactory information has been provided that all offset operators, surface owners, and the New Mexico State Engineer Office have been duly notified; and
3. That the applicant has presented satisfactory evidence that all requirements prescribed in Rule 701 (C) will be met.
4. That no objections have been received within the waiting period prescribed by said rule.

IT IS THEREFORE ORDERED:

That the applicant herein, Solar Oil Company, is hereby authorized to complete its E. C. Hill "A" Well No. 1 located in Unit O of Section 27, Township 23 South, Range 37 East, NMPM, Lea County, New Mexico, in such a manner as to permit the injection of salt water for disposal purposes into the San Andres and Glorieta formations at approximately 3935 feet to approximately 5190 feet through 2-inch tubing with a packer set at approximately 3900 feet.

IT IS FURTHER ORDERED:

That jurisdiction of this cause is hereby retained by the Commission for such further order or orders as may seem necessary or convenient for the prevention of waste and/or protection of correlative rights; upon failure of applicant to comply with any requirement of this order after notice and hearing, the Commission may terminate the authority hereby granted in the interest of conservation. That applicant shall submit monthly reports of the disposal operation in accordance with Rules 704 and 1120 of the Commission Rules and Regulations.

APPROVED at Santa Fe, New Mexico, on this 11th day of February, 1969.

STATE OF NEW MEXICO
OIL CONSERVATION COMMISSION

A. L. PORTER, Jr.
Secretary-Director

SEAL

1. The first part of the document discusses the importance of maintaining accurate records of all transactions and activities. It emphasizes that this is essential for ensuring transparency and accountability in the organization's operations.

2. The second part of the document outlines the specific procedures and protocols that must be followed to ensure that all records are properly maintained and updated. This includes regular audits and reviews to verify the accuracy of the data.

3. The third part of the document provides a detailed overview of the various systems and tools that are used to manage and store the organization's records. It describes how these systems are integrated and how they facilitate the efficient handling of information.

4. The fourth part of the document discusses the role of the organization's staff in maintaining accurate records. It highlights the need for ongoing training and education to ensure that all employees are up-to-date on the latest procedures and technologies.

5. The fifth part of the document addresses the challenges and risks associated with maintaining accurate records. It identifies potential areas of vulnerability and provides strategies to mitigate these risks, such as implementing robust security measures and disaster recovery plans.

6. The sixth part of the document provides a summary of the key findings and recommendations from the document. It reiterates the importance of maintaining accurate records and offers practical advice on how to implement the suggested changes and improvements.

7. The seventh part of the document includes a list of references and sources used in the document. This provides a clear path for readers who wish to explore the topics discussed in more detail or to verify the accuracy of the information presented.

8. The eighth part of the document provides a final conclusion and a call to action. It encourages all members of the organization to take ownership of their role in maintaining accurate records and to work together to ensure the highest standards of transparency and accountability.

9. The ninth part of the document includes a list of appendices and additional resources. These provide further details on the various systems and tools mentioned in the document, as well as contact information for the relevant departments and personnel.

10. The tenth part of the document provides a final overview of the document's structure and content. It summarizes the main points and offers a clear path for readers to navigate the document and find the information they need. It also includes a list of key terms and definitions to ensure that all readers have a common understanding of the terminology used throughout the document.

11. The eleventh part of the document includes a list of contact information for the various departments and personnel mentioned in the document. This provides a clear path for readers who wish to reach out for more information or to report any issues or concerns.

12. The twelfth part of the document provides a final conclusion and a call to action. It reiterates the importance of maintaining accurate records and offers practical advice on how to implement the suggested changes and improvements.

13. The thirteenth part of the document includes a list of references and sources used in the document. This provides a clear path for readers who wish to explore the topics discussed in more detail or to verify the accuracy of the information presented.

14. The fourteenth part of the document provides a final conclusion and a call to action. It encourages all members of the organization to take ownership of their role in maintaining accurate records and to work together to ensure the highest standards of transparency and accountability.

15. The fifteenth part of the document includes a list of appendices and additional resources. These provide further details on the various systems and tools mentioned in the document, as well as contact information for the relevant departments and personnel.

16. The sixteenth part of the document provides a final overview of the document's structure and content. It summarizes the main points and offers a clear path for readers to navigate the document and find the information they need. It also includes a list of key terms and definitions to ensure that all readers have a common understanding of the terminology used throughout the document.

17. The seventeenth part of the document includes a list of contact information for the various departments and personnel mentioned in the document. This provides a clear path for readers who wish to reach out for more information or to report any issues or concerns.

18. The eighteenth part of the document provides a final conclusion and a call to action. It reiterates the importance of maintaining accurate records and offers practical advice on how to implement the suggested changes and improvements.
