RE: Administrative Application  
for Salt Water Disposal

Dear Sir:

Reference is made to your application dated March 4, 1987 for authorization to inject into the D & E Federal Well No. 1. Before your application can be processed, further information regarding the offset well completions will be required. Please send additional information regarding the cementing of each casing string and cement tops if available for each of the wells listed within the area of review.

Your application will be processed upon receipt of this additional information. If you have any questions please contact me at (505) 827-5800.

Sincerely,

A handwritten signature in cursive script that reads "David Catanach". To the right of the signature, the initials "D.C." are written.

David Catanach  
Engineer

DC/bok

Mr Catanach,  
I was informed by the Hobbs District Office that Federal leases must be permitted by the BLM. I am currently working on a permit through that agency. If you still require the above data, please write or call me and I will submit it as soon as possible.
