RE: Application for Salt Water Easement

Dear Mr. Catanach:

Application is being made to Oil Conservation Division from BTA Oil Producers, for approval of a salt water disposal within Section 27, Township 21 South, Range 34 East, Lea County.

The Commissioner of Public Lands has no objections at this time for your approval of the above application. However, the Commissioner reserves the right to refuse to grant a salt water disposal easement when it would be detrimental to the Trust.

If you have any questions, call Leo Maes at 827-5725.

Sincerely,

Pleas M. Glenn
Assistant Commissioner
