RE: Reinstatement of Order SWD-491  
Scott # 1 Well  
SW/4 Section 1-T15S-R36E  
Lea County, New Mexico

Dear Mr. Stogner:

Pursuant to our telephone conversation a few weeks ago regarding the above captioned well, please find enclosed copy of the original Order SWD-491 along with the original application to convert this well to a Saltwater Disposal Well. This information is being forwarded for your review and we hereby request your approval to reinstate this well under Order SWD-491. Germany Oil Company, as new operator, has reviewed the original application and agrees to convert and operate this well as outlined in said application. There has been no new activity in this area since this application was first approved back in October of 1992.

By letter this date, I am forwarding to Donna Pitzer at the Hobbs OCD a C-104 form seeking a change of operator from Pacific Enterprises Oil Company, to Germany Oil Company. Also this date, I am mailing a plugging bond for Germany Oil Company covering this well to Diane Richardson.

Should you have any questions, need to discuss, or need more information, please give me a call. Thank you for your attention to this request.

Sincerely,

Michael R. Burch, CPL
