Re: Exception to Rule 309-C  
Off Lease Storage  
Airport #1  
Lea County, New Mexico

Gentlemen:

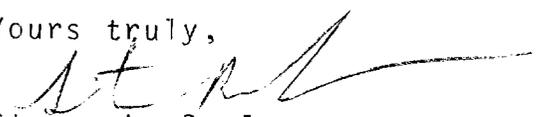

We are in the process of completing our Airport #1, located 1650' FNL and 330' FWL, Unit E, Section 22, T-25-S, R-37-E. We would like to utilize the tank battery located in Unit D of Section 22, T-25-S, R-37-E.

This tank battery formerly was in service on the Lanehart 22 #1 well located in said Unit D in Section 22. Since the Lanehart 22 was re-completed as a Jalmat gas well and no longer produces liquids, this battery is no longer in service, therefore we would like to utilize it for our Airport #1.

Enclosed is a copy of the plat showing the location of the tanks and wells in questions, and the forty acre Airport lease.

Should you have any questions regarding this matter, feel free to contact this office.

Yours truly,

  
Steven L. Burleson
