RE: REQUEST FOR ADMINISTRATIVE APPROVAL
OFF LEASE STORAGE
PARKWAY "C" STATE # 1
SECTION 15, T-19-S, R-29-E
1980' FNL & 1980' FWL
EDDY COUNTY, NEW MEXICO
LEASE NO: L-1493

MR. CATANACH:

SOUTHLAND ROYALTY COMPANY RESPECTFULLY REQUEST ADMINISTRATIVE APPROVAL FOR OFF LEASE STORAGE ON THE ABOVE REFERENCED WELL. WE REQUEST THAT THE OIL BE TRANSPORTED THRU ABOVE GROUND 2 7/8" J-55 TUBING LINE TO THE PARKWAY "B" STATE LEASE LOCATED IN SECTION 15, T-19-S, R-29-E, NE/SE. SEE ATTACHED LEASE PLATS.

THIS REQUEST IS PURSUANT TO THE DECLINING PRODUCTION ON THE PARKWAY "B" STATE LEASE. PRESENTLY THE OIL IS BEING STORED IN A 500 BBL TANK WHICH IS TOO LARGE AND UNECONOMICAL TO CONTINUE. THE PARKWAY "C" STATE # 1 WAS RECENTLY RECOMPLETED TO THE BONE SPRING AND WITH THE INCREASE IN PRODUCTION, SOUTHLAND ROYALTY COMPANY COULD UTILIZE THE EXISTING LARGE TANK ON SECTION 15 WHILE SETTING A SMALLER ONE FOR THE PARKWAY "B" STATE # 1. SINCE THERE WILL BE TWO (2) TANKS, ONE FOR EACH WELL, THERE WILL BE NO RISK OF COMMINGLING THE DIFFERENT PRODUCING ZONES OF EACH INDIVIDUAL WELL. THE PARKWAY "C" STATE # 1 IS PRODUCING FROM THE BONE SPRING, AND THE PARKWAY "B" STATE # 2 IS PRODUCING FROM THE QUEEN FORMATION. EACH TANK WILL BE SEPARATELY METERED.

ALL PARTIES INVOLVED OWNING AN INTEREST IN THIS LEASE ORIGINALLY CONSENTED TO BUILDING A NEW BATTERY FOR THE PARKWAY "C" STATE # 1. BY OFF LEASE STORING THE OIL FROM THE PARKWAY "C" STATE # 1 TO THE EXISTING BATTERY LOCATED ON THE PARKWAY "B" STATE LEASE AND SETTING A SMALLER TANK FOR THE PRODUCTION FROM THE "B" STATE LEASE, A SIGNIFICANT SAVINGS FACTOR IS INCURRED.

IF YOU SHOULD HAVE ANY QUESTIONS, OR NEED ADDITIONAL INFORMATION, PLEASE DO NOT HESITATE TO CONTACT ME AT 915-688-6943.
