Attention: Mr. Michael Stogner

Dear Sir:

Application for Permission to Store Production from the Preston Federal Lease  
on the Vicki Federal Lease

Conoco Inc. requests approval to store fluid produced from the Preston Federal Lease on the Vicki Federal Lease.

Both leases are one-well leases and produce in the South Dagger Draw Upper Penn Pool. The storage facilities will be located on the Vicki Federal Lease in the SW/4 NE/4 of Section 26, T20S, R24E, Lea County, New Mexico. Please note production from the two leases will not be commingled and separation facilities will be located at each well site.

Attached are battery schematics of each well, a lease plat and a letter of notification of our proposal to each interest owner.

If you have any questions, please call David G. Smylie, ext. 120 of this office.

Yours very truly,
