

Gross Section - Before and After shown below.

6" Caliche Pad

Note: There was no change in this since we will be using an existing caliche pad.

See Exhibit #3 for proposed Tank Battery Layout.

Pad is approximately 100' North to South and 75' East to West.

10. Plans for Restoration of Surface - None - this caliche pad had already been leveled and caliched by prior operator, therefore Anadarko has no plans other than removing the production equipment.

11. Other Information - Topography is generally small sand dunes surrounding the existing level caliche pad.

Soil Characteristics - Level caliche pad.

Flora - No growth on caliche pad.

Fauna - Ants, grasshoppers, mice, rats, birds, snakes and rabbits.

Other Surface Use Activities - None.

Surface Ownership - Federal Land.

Water Wells - None.

Lakes, Streams and Ponds - None.

Dwellings - None.

Other Facilities - None.

Archaeological Sites - None.

Historical Sites - None.

Cultural Sites - None.

12. Operator's Representative -

Truman Jones - Office - Loco Hills - 677-2411

Cindy James - Office - Loco Hills - 677-2411
Office - Midland, Texas - 915-682-1666

13. Certification - I hereby certify that I, or persons under my direct supervision, have inspected this existing caliche pad which will be used as the proposed production facility relocation site; that I am familiar with the conditions which presently exist, that the statements made in this plan are, to the best of my knowledge, true and correct; and, that the work associated with the operations proposed herein will be performed by Stevenson Roach Tank Co., Inc. in conformity with this plan and the terms and conditions under which it is approved.

Title

1. The first part of the document discusses the importance of maintaining accurate records of all transactions and activities. It emphasizes that this is crucial for ensuring transparency and accountability in the organization's operations.

2. The second part of the document outlines the various methods and tools used to collect and analyze data. It highlights the need for a systematic approach to data collection and the importance of using reliable and valid measurement instruments.

3. The third part of the document discusses the ethical considerations that must be taken into account when conducting research. It emphasizes the need to protect the privacy and confidentiality of participants and to obtain their informed consent before any data collection begins.

4. The fourth part of the document discusses the importance of data management and storage. It emphasizes the need to ensure that data is securely stored and backed up, and that it is accessible to those who need it for analysis and reporting.

5. The fifth part of the document discusses the importance of data analysis and interpretation. It emphasizes the need to use appropriate statistical methods to analyze the data and to interpret the results in the context of the research objectives and the existing literature.

6. The sixth part of the document discusses the importance of reporting the results of the research. It emphasizes the need to present the findings in a clear and concise manner, and to provide a detailed explanation of the methods used and the limitations of the study.
