Lease Name:  
Description:

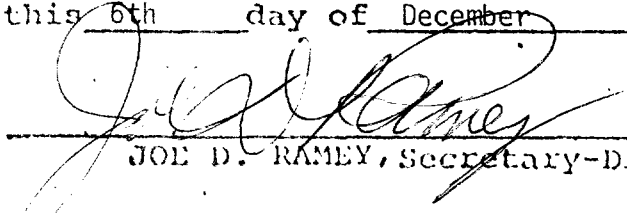

Production shall be allocated to each lease by

monthly well tests. It is our understanding that the ownership of these two tracts is identical but that there is a difference in basic royalty rate assigned the two tracts. However, the U. S. Geological Survey has consented to this method of determining production from each tract.

Note: This installation shall be installed and operated in accordance with the applicable provisions of Rule 309-B of the Commission Rules and Regulations and the Commission "Manual for the Installation and Operation of Commingling Facilities." It is the responsibility of the producer to notify the transporter of this commingling authority.

REMARKS:

DONE at Santa Fe, New Mexico, on this 6th day of December 1976.

  
JOE D. RAMEY, Secretary-Director
