Attention: Mr. D. S. Nutter

Gentlemen:

Please consider this our application to commingle oil production from our Shell State, Shell "A" State and McLaughlin State leases in the Maljamar (Grayburg) Field, Lea County. All leases are a part of State Lease No. 2516 with the only ownership difference being in the overriding royalties.

The tank battery will be located in Unit E, Section 10, T-17-S, R-33-E. Each lease will be equipped with a heater treater with oil meters on two of the leases. Oil will go into common storage with each lease having a separate casinghead gas meter.

In support of this application, the following is attached:

1. Area plat showing each lease to be commingled
2. Schematic diagram of the proposed installation
3. Tabulation showing the ownership in each lease

If any additional information on this proposed installation is required, please advise.

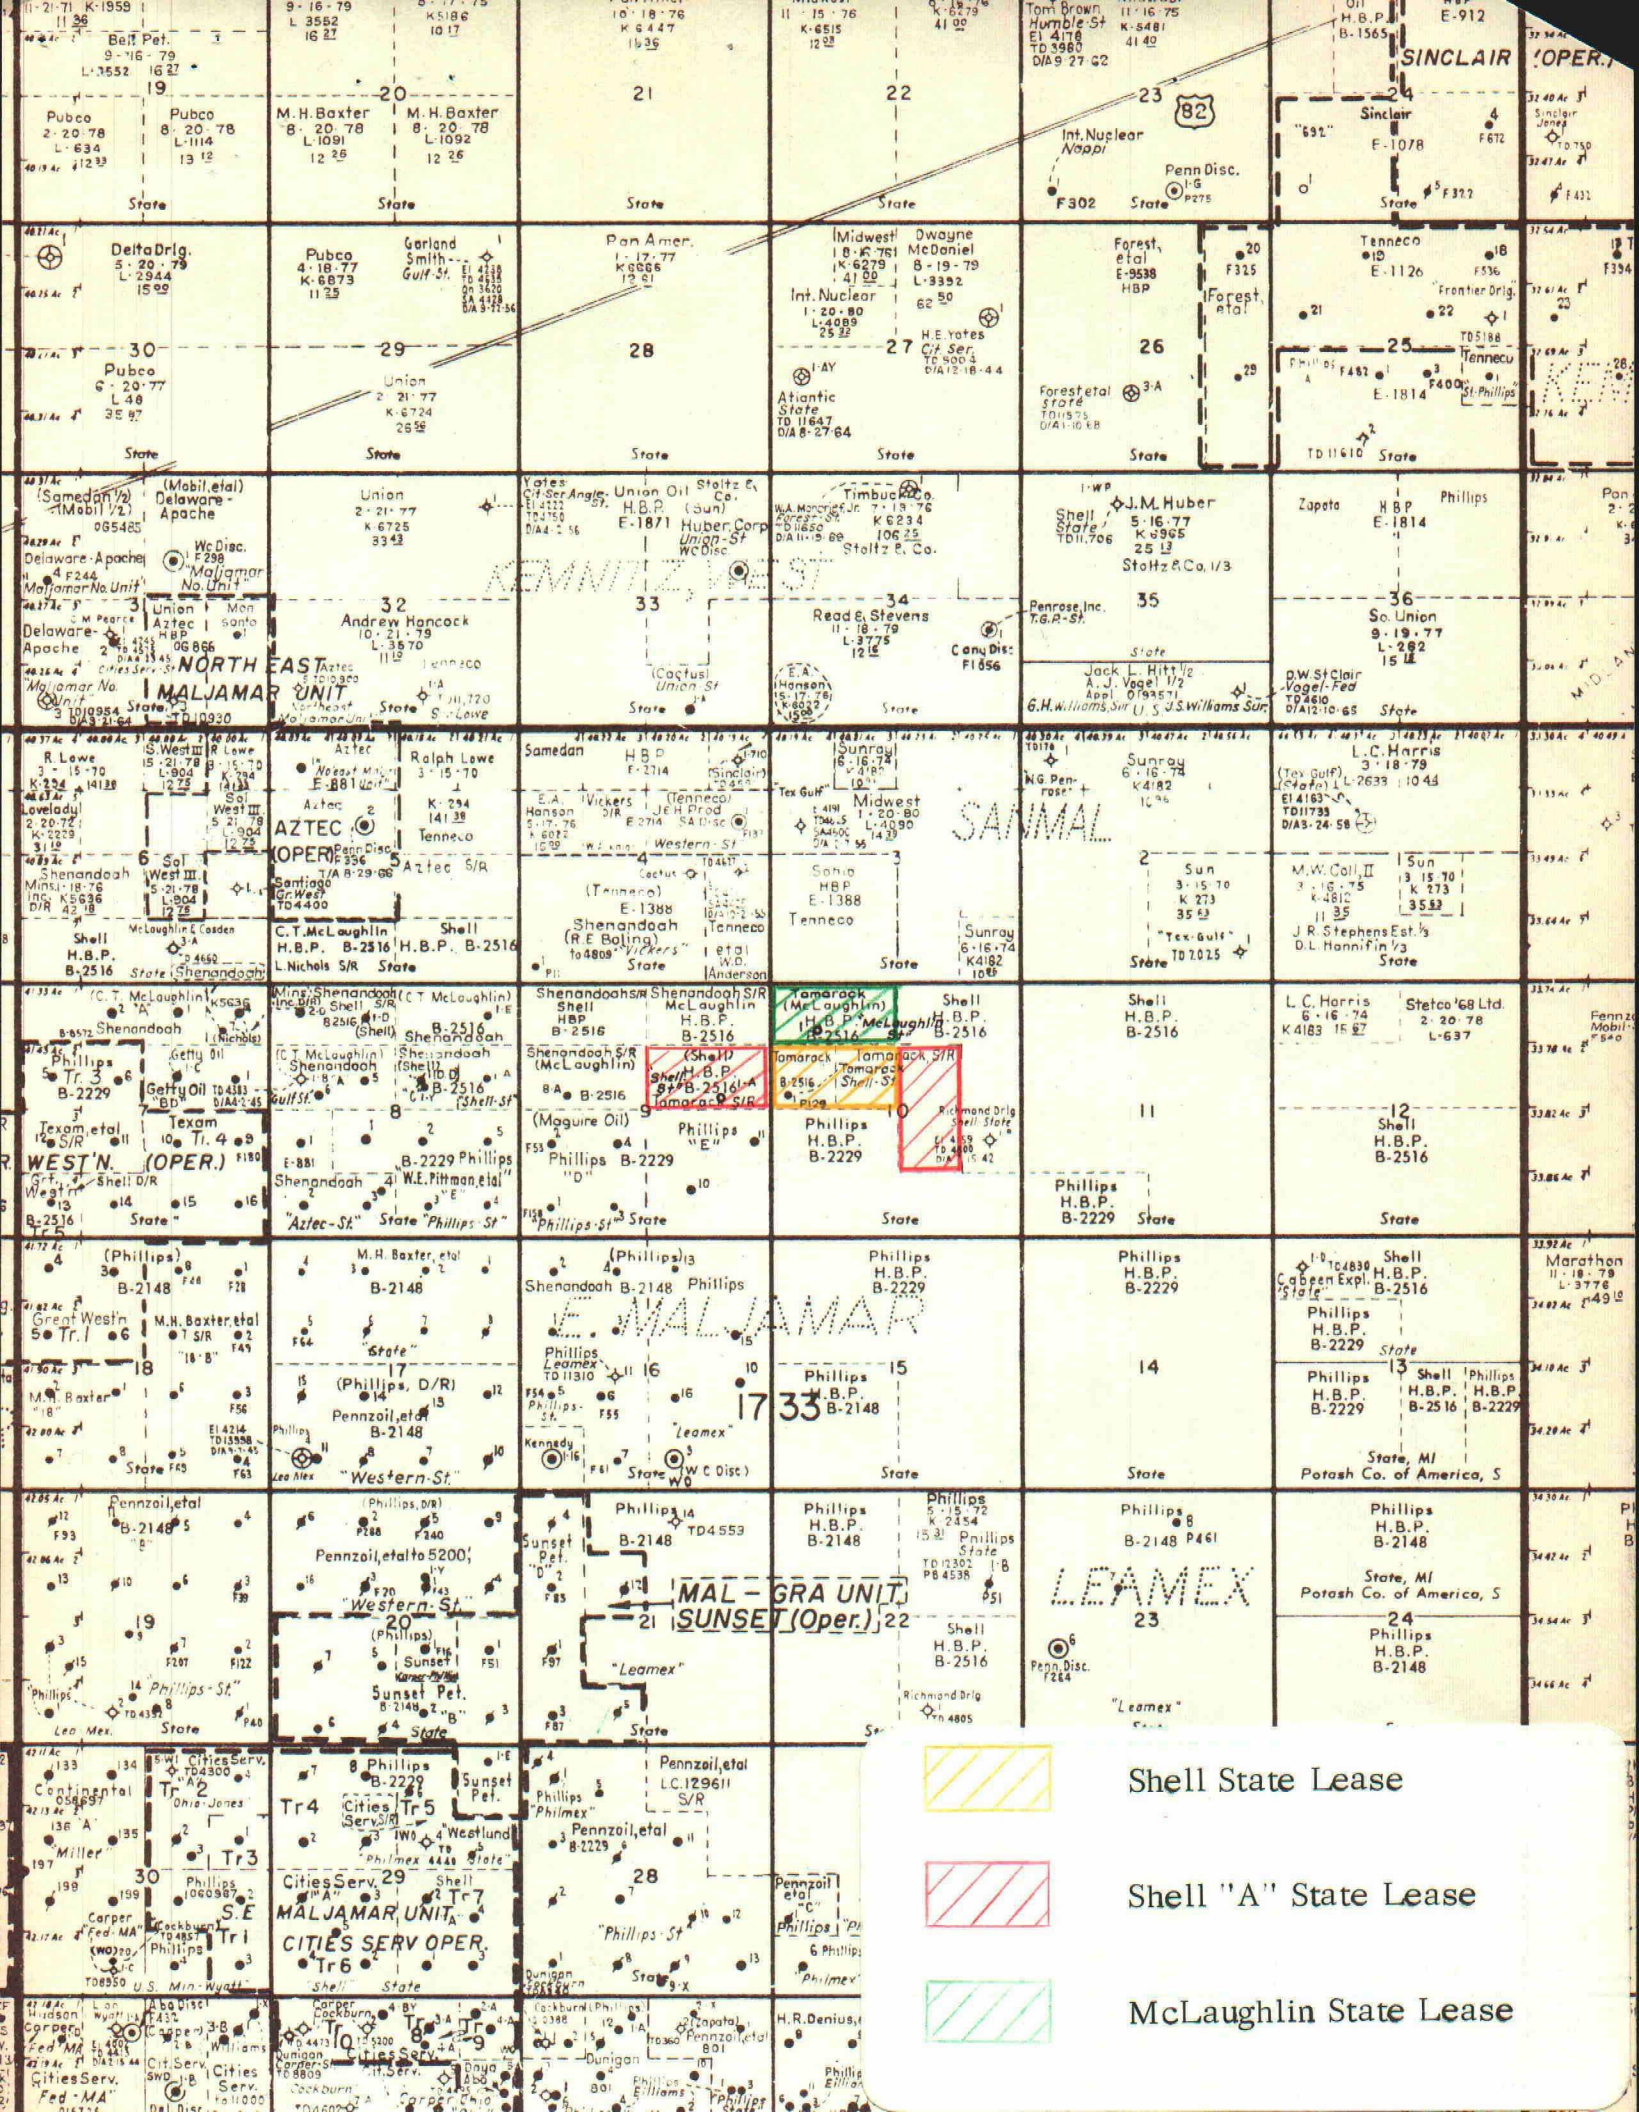

Very truly yours,
