Lone Star Producing Company
P. O. Box 4815
Midland, Texas 79701

Attention: Mr. C. R. Ramsey

Administrative Order CTB-218

Gentlemen:

Reference is made to your application for administrative approval of an exception to Rule 309-A of the Commission Rules and Regulations to permit the commingling of Vada-Pennsylvanian production from your Federal Wells Nos. 55-1 and 55-2 located, respectively, in Units F and B of Section 27, Township 8 South, Range 36 East, Roosevelt County, New Mexico, after separately metering the production from each lease.

Under the authority granted me pursuant to Rule 309-B, Lone Star Producing Company is hereby authorized to commingle the above-described production as proposed, subject to the provisions of the Commission "Manual for the Installation and Operation of Commingling Facilities," including the requirement for non-reset counters on the meters.

Please notify the Hobbs District Office of the Commission at such time as the installation is complete in order that an inspection may be made thereof.

It is the responsibility of the producer to notify the transporter of this commingling authority.

Very truly yours,

A. L. PORTER, Jr.
Secretary-Director

Dear Mr. Jones:

Administrative Order 309-B

Dear Mr. Jones:

As you are aware, your application for administrative approval as an exception to Rule 309-A of the Commission Rules and Regulations is being reviewed by the Commission. The Commission has your application file No. 309-B and is currently reviewing it. In the meantime, you are requested to continue to operate in the same manner as you have been operating in the past, however, you are requested to keep the Commission advised of any changes in your operations. The Commission will advise you of the results of its review.

Under the authority granted me pursuant to Rule 309-B, the Oil Conservation Commission is hereby authorized to continue the above-described project on as proposed, subject to the provisions of the Commission "Manual for the Installation and Operation of Monitoring Facilities," including the requirement for non-cessation of the project.

Please notify the House District Office of the Commission at each time the installation is complete in order that an inspection may be made thereof.

It is the responsibility of the producer to notify the Commission of this continuing authority.

Very truly yours,

W. L. PORTER, JR.
Secretary-Treasurer
