Gentlemen:

Shenandoah Oil Corporation is the operator of Federal Lease No. LC-029020(c), designated as the D. H. Parke "C" Lease, Grayburg Jackson Pool, and covering the SE/4 SE/4 of Section 15 and the NW/4 NW/4 of Section 23, Township 17 South, Range 30 East, Eddy County, New Mexico. Production from this lease is currently commingled with other adjacent leases under Administrative Order CTB-228.

Due to commencement of joint operation and division of ownership of this lease effective December 1, 1974, it will no longer qualify for commingling with the other leases involved.

We therefore request that the commingling order be amended to exclude this lease effective December 1, 1974. Separate gathering and storage facilities will be installed on the lease for handling production from that date.

Very truly yours,

SHENANDOAH OIL CORPORATION
