RE: WFX-535  
Hospah Well No. 16 Unit F,  
S12,T17N,R9W McKinley Co., N.M.

Dear Mr. McKinney:

A review of Administrative Order WFX-535, which granted you permission to expand your Hospah Waterflood, has brought to our attention that wellbore schematics for plugged and abandoned wells in a 1/2 mile radius for the subject well were not included in the original application. A check on previous applications in the same area also lack schematics for plugged and abandoned wells. Please send schematics for all plugged and abandoned wells in a 1/2 mile radius of the subject well. Should you have any questions concerning this request please call me at (505) 827-5807.

Sincerely,

*Gilbert P. Quintana*
