Dear Mr. Lemay:

On February 9, 1987 we were granted Commingling Order CTB-322 which allowed us to commingle production from our Gissler lease with our Gissler "A" lease. We have just completed a new tank battery for our Gissler "A" lease and therefore, do not need commingling approval for this lease. Please cancel this order.

Should you have questions or need additional information, please contact us.

Yours truly,

John C. McPhaul  
PRODUCTION SUPERINTENDENT
