Re: CTB-221
Tres Papalotes (Penn) Field
Lea County, New Mexico

Gentlemen:

Enserch Exploration, Inc. hereby requests that commingling permit CTB-221 be revoked, effective August 1, 1980. This permit allowed the commingling of Tres Papalotes (Penn) production from our N. M. (80) State, N. M. (86) State and N. M. (87) State leases located in Section 33, Township 14 South, Range 34 East, Lea County, New Mexico, after separately metering the production from each lease. At present, we are finalizing the sale to N. M. (86) State and the N. M. (80) State and N. M. (87) State are being produced into separate stock tanks.

Very truly yours,

Leonard Kersh
