Union Oil Company of California

Attention: Mr. G. W. Coombes

Dear Mr. Coombes:

In reply to your letter of January 8, 1962, we have no objection to your proposed plan for off-lease storage of the production from your State "C" No. 1-28 well, which storage will be located in the SW $\frac{1}{4}$ NW $\frac{1}{4}$  of Section 33, T. 15 S., R. 32 E.

We note that State Lease No. OG-5937, where the State "C" No. 1-28 well is located is held of record by the Cabot Carbon Company, however, we are assuming that you control this property, through a farmout agreement.

If there is any further information you desire, please let us know.

Yours very truly,

E. S. JOHNNY WALKER  
Commissioner of Public Lands
