Gentlemen:

Reference is made to your letter of November 20, 1963, to Mr. Joe Ramsey, Supervisor of the Hobbs District Office of the Oil Conservation Commission, wherein you state that you will no longer commingle the oil produced from your State "BL" Lease and your Lane Lease comprising the W/2 NW/4 and SE/4 NW/4 of Section 14 and the NE/4 NW/4 of section 14, respectively, Township 10 South, Range 32 East, Mescalero-San Andres Pool, Lea County, New Mexico, as authorized under Administrative Order CFB-99. Dear Sir:

Cities Service Oil Company received permission to commingle oil from the Lane and State BL Leases effective December 18, 1962. Since that date the oil from each lease has been metered into a common storage battery. Due to the high gas content of the crude oil after it leaves the separator the meters are not working satisfactorily. Effective December 1, 1963 individual tanks will be used for each lease until further notice.

Attached is a sketch of our tank battery hookup and a plat of the two leases.

Yours very truly,

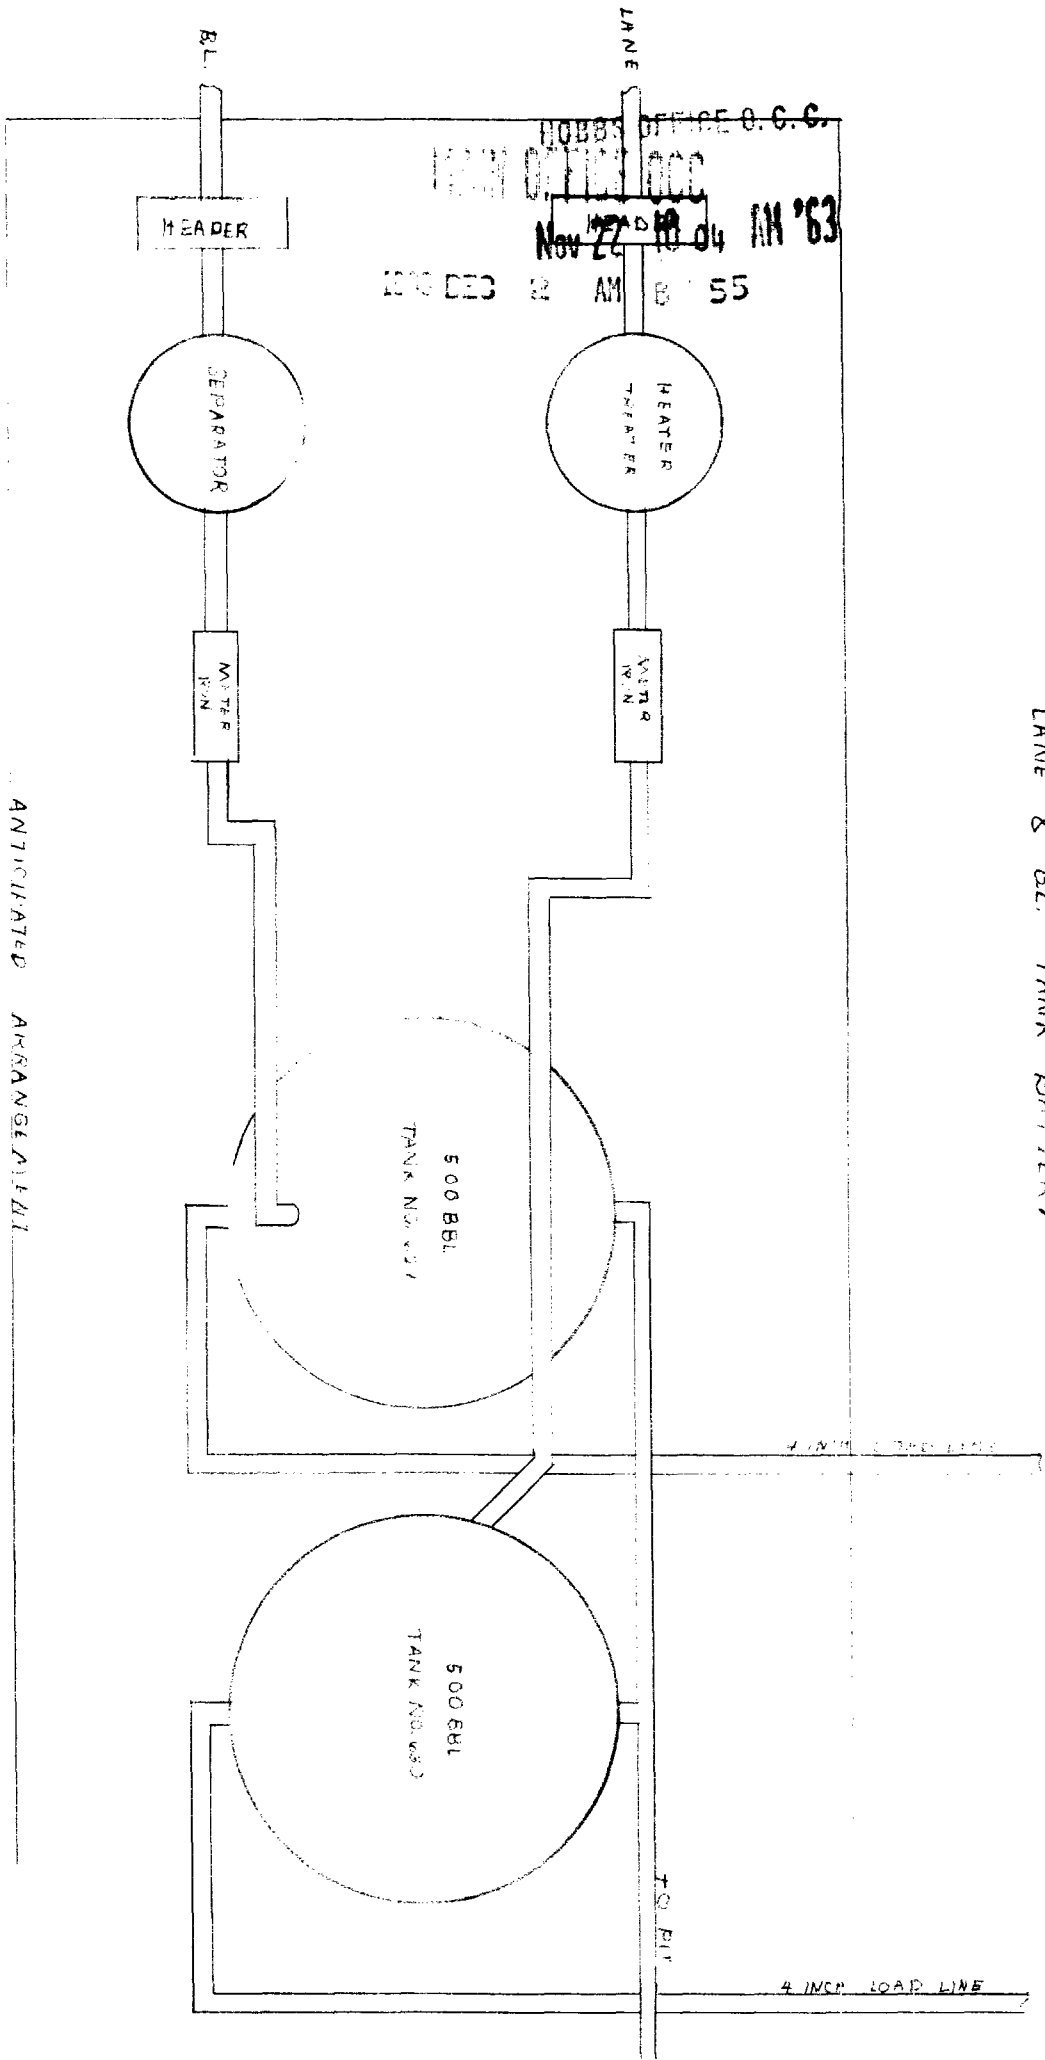

CITIES SERVICE OIL COMPANY

George M. Geyer
District Superintendent
