Attention: Mr. Joe Mafford

Administrative Order PC-42

Gentlemen:

Reference is made to your application dated October 31, 1961, for administrative approval of an exception to Rule 303 (a) of the Commission Rules and Regulations to permit the commingling of the production from the Penrose-Shelly Pool and an undesignated Paddock Pool on your H. S. Turner Lease located in Section 29, Township 21 South, Range 37 East, N29E, Lea County, New Mexico, without separately metering the production from each pool.

By the authority vested in me under the provisions of Rule 303 (b) of the Commission Rules and Regulations, you are hereby authorized to commingle the production from the Penrose-Shelly Pool and an undesignated Paddock Pool on the above-described H. S. Turner Lease without separately metering the production from each pool; provided however, that the installation shall be operated in accordance with the provisions of the Commission "Manual for the Installation and Operation of Commingling Facilities"; and provided further however, that you shall immediately notify the Commission at such time as any well in either pool is capable of top allowable production.

Very truly yours,

**A. L. PORTER, Jr.,
Secretary-Director**

Administrative Order 80-42

Gentlemen:

Reference is made to your application dated October 11, 1961, for administrative approval of an exception to Rule 303 (a) of the Commission Rules and Regulations to permit the commingling of the production from the Penrose-Skelly Pool and an undesignated Padlock Pool on your H. S. Turner lease located in Section 29, Township 21 North, Range 37 East, N.M., Las Alamos County, New Mexico, without separately metering the production from each pool.

By the authority vested in me under the provisions of Rule 303 (b) of the Commission Rules and Regulations, you are hereby authorized to commingle the production from the Penrose-Skelly Pool and an undesignated Padlock Pool on the above-described H. S. Turner lease without separately metering the production from each pool; provided however, that the installation shall be operated in accordance with the provisions of the Commission "Manual for the Installation and Operation of Commingling Facilities"; and provided further however, that you shall immediately notify the Commission at such time as any well in either pool is capable of top allowable production.

Very truly yours,
