Attention: Mr. B. D. Baker, District Engineer

Administrative Order PC-44

Gentlemen:

Reference is made to your application dated November 7, 1961, for administrative approval of an exception to Rule 303 (a) of the Commission Rules and Regulations to permit the commingling of the production from the Langlie-Mattix, Cary and Drinkard Pools on your Will Cary Lease located in Section 22, Township 22 South, Range 37 East, Lea County, New Mexico, without separately metering the production from each pool.

By the authority vested in me under the provisions of Rule 303 (b) of the Commission Rules and Regulations, you are hereby authorized to commingle the production from the Langlie-Mattix, Cary and Drinkard Pools on the above-described Will Cary Lease without separately metering the production from each pool; provided however, that the installation shall be operated in accordance with the provisions of the Commission "Manual for the Installation and Operation of Commingling Facilities"; and provided further however, that you shall immediately notify the Commission at such time as any well in either pool is capable of top allowable production.

Very truly yours,

A. L. PORTER, Jr.,
Secretary-Director
