Mobil Oil Company
P. O. Box 2406
Hobbs, New Mexico

Attention: Mr. C. H. Samples, Producing Superintendent

Administrative Order PC-48

Gentlemen:

Reference is made to your application dated November 2, 1961, for administrative approval of an exception to Rule 303 (a) of the Commission Rules and Regulations to permit the commingling of the production from the Denton and Denton Wolfcamp Pools on your J. C. Maxwell Lease located in Section 27, Township 14 South, Range 37 East, B&PM, Lea County, New Mexico, without separately metering the production from each pool.

By the authority vested in me under the provisions of Rule 303 (b) of the Commission Rules and Regulations, you are hereby authorized to commingle the production from the Denton and Denton Wolfcamp Pools on the above-described J. C. Maxwell Lease without separately metering the production from each pool; provided however, that the installation shall be operated in accordance with the provisions of the Commission "Manual for the Installation and Operation of Commingling Facilities"; and provided further however, that you shall immediately notify the Commission at such time as any well in either pool is capable of top allowable production.

Very truly yours,

A. L. PORTER, Jr.,
Secretary-Director

1. The following information was obtained from the records of the Department of the Interior, Bureau of Land Management, regarding the land owned by the United States in the State of California, as of January 1, 1901:

any well in either pool is capable of producing a continuous stream of gas. You shall immediately notify the Commission as soon as gas is produced from such well. Provided however, that the installation shall be operated in accordance with the provisions of the Gas Well Installation Manual for the installation and location of Gas Well Installation Manual; and provided further, however, that the Commission may, at its discretion, require the installation of a gas well in either pool as capable of producing a continuous stream of gas. By the authority vested in me as the Secretary of the State of New York, I hereby certify that the foregoing is a true and correct copy of the provisions of the Gas Well Installation Manual for the installation and location of Gas Well Installation Manual.
