Karnit, Texas

Attention: Mr. J. L. Pike

Administrative Order PC-51

Gentlemen:

Reference is made to your application dated November 20, 1961, for administrative approval of an exception to Rule 303 (a) of the Commission Rules and Regulations to permit the commingling of the production from the undesignated Ellenburger and undesignated McKee Pools on your W. A. Ramsay "C" Lease located in Section 36, Township 24 South, Range 37 East, Lea County, New Mexico, after separately metering the production from each pool.

By the authority vested in me under the provisions of Rule 303 (b) of the Commission Rules and Regulations, you are hereby authorized to commingle the production from the undesignated Ellenburger and undesignated McKee Pools on the above-described W. A. Ramsay "C" Lease after separately metering the production from each pool; provided however, that the installation shall be operated in accordance with the provisions of the Commission "Manual for the Installation and Operation of Commingling Facilities"; and provided further however, that the Commission shall be notified when the commingling system is installed and that Commission approval shall be obtained at such time as common test facilities shall be utilized.

Very truly yours,

A. L. PORTER, Jr.,  
Secretary-Director

Kearney, Texas

Attention: Mr. C. L. Lyle

A confidential source

Gentlemen:

Reference is made to your letter of November 15, 1961, for administrative approval of the proposed unit 301 (a) of the Commission Rules and Regulations to permit the commingling of the production from the unconsolidated Alamo, Burgos and undiscovered Knave pools on your W. A. Ramsey 100-acre lease located in Section 36, Township 36 North, Range 37 East, Lea County, New Mexico, after separately metering the production from each pool.

By the authority vested in me under the provisions of Rule 303 (b) of the Commission Rules and Regulations, you are hereby authorized to commingle the production from the undiscovered Alamo, Burgos and undiscovered Knave pools on the six-acre described W. A. Ramsey 100-acre after separately metering the production from each pool; provided however, that the installation shall be operated in accordance with the provisions of the Commission Manual for the Installation and Operation of Commingling Facilities; and provided further however, that the Commission shall be notified when the commingling system is installed and that Commission approval shall be obtained at such time as common test facilities shall be utilized.

Very truly yours,

W. A. Ramsey, Jr.  
Secretary-Treasurer
