P. O. BOX 871

SANTA FE, NEW MEXICO

December 7, 1961

Shell Oil Company
P. O. Box 1858
Roswell, New Mexico

Attention: Mr. R. L. Rankin, Division Production Manager

Administrative Order PC-52

Gentlemen:

Reference is made to your application dated November 14, 1961, for administrative approval of an exception to Rule 303 (a) of the Commission Rules and Regulations to permit the commingling of the production from the Denton-Wolfcamp and Denton-Devonian Pools on your A. R. Priest Lease located in Lea County, New Mexico, without separately metering the production from each pool.

By the authority vested in me under the provisions of Rule 303 (b) of the Commission Rules and Regulations, you are hereby authorized to commingle the production from the Denton-Wolfcamp and Denton-Devonian Pools on the above-described A. R. Priest Lease without separately metering the production from each pool; provided however, that the installation shall be operated in accordance with the provisions of the Commission "Manual for the Installation and Operation of Commingling Facilities"; and provided further however, that you shall immediately notify the Commission at such time as any well in either pool is capable of top allowable production.

Very truly yours,

A. L. PORTER, Jr.,
Secretary-Director

Roswell, New Mexico

Attention: Mr. R. J. Henkin, District Production Manager

Administrative File 10-52

Gentlemen:

Reference is made to your application dated November 14, 1961, for administrative approval of an increase to Rule 303 (a) of the Conservation Rules and Regulations. Pursuant to the Commission's decision from the New Mexico Oil and Gas Commission, the production from the A. P. Priest lease located in the Denton-Davonian Pool, New Mexico, without regard to the production from each pool.

By the authority vested in me under the provisions of Rule 303 (b) of the Conservation Rules and Regulations, you are hereby authorized to continue the production from the Denton-Davonian Pool on the above-described A. P. Priest lease without regard to the production from each pool; provided however, that the production shall be operated in accordance with the provisions of the Commission "Manual for the Installation and Operation of Commingling Facilities"; and provided further that, at any time well in either pool is capable of producing production.

Very truly yours,

W. L. GORMAN, Jr.
Secretary-Director
