O **AMENDMENT**

Administrative Order PC-54

Gentlemen:

P
Y Reference is made to your letter dated September 13, 1968, wherein you request an amendment to Administrative Order PC-54 to permit the elimination of continuous metering of the production from the Blinebry Pool which is commingled on your Wantz Lease with Drinkard oil and Hare oil and Blinebry and Tubb distillate production. It is our understanding that all of the oil production on the subject lease is now of marginal nature and that the only production which would be metered would be the Blinebry and Tubb distillate.

Administrative Order PC-54 is hereby amended to eliminate the requirement metering of the Blinebry oil production.

Very truly yours,

A. L. PORTER, Jr.
