P. O. BOX 871

SANTA FE, NEW MEXICO

February 22, 1962

Sinclair Oil & Gas Company
P. O. Box 1470
Midland, Texas

Attention: Mr. Joe Mefford

Administrative Order PC-65

Gentlemen:

Reference is made to your application dated February 16, 1962, for administrative approval of an exception to Rule 303 (a) of the Commission Rules and Regulations to permit commingling of the oil production from the Drinkard Oil, Blinebry Gas, and Tubb Gas Pools on your J. R. Cone "A" Lease located in Section 26, Township 21 South, Range 37 East, NMPM, Lea County, New Mexico, without separately metering the production from each pool.

By the authority vested in me under the provisions of Rule 303 (b) of the Commission Rules and Regulations, you are hereby authorized to commingle the oil production from the Drinkard Oil, Blinebry Gas, and Tubb Gas Pools on the above-described J. R. Cone "A" Lease without separately metering the production from each pool; provided however, that the installation shall be operated in accordance with the provisions of the Commission "Manual for the Installation and Operation of Commingling Facilities"; provided further however, that the production shall be allocated to each pool on the basis of quarterly tests, and provided further however, that

that the production shall be allocated on the basis of the operation of commingling facilities; provided further however, that the production shall be allocated on the basis of the basis of quarterly tests, and provided further however, that

provisions of the Commission "Manual for the Installation and the installation shall be operated in accordance with the bearing the production from each well, provided however, that above-described U. S. Code "A" lease without separately measuring the Dryland Oil, Bittery Gas, and other gas wells on the sale 303 (d) of the Commission Rules and Regulations, you by the authority vested in it under the provisions of
