Attention: Mr. A. L. Porter, Secretary-Director

Dear Sir:

Administrative Order PC-69 of March 22, 1962 permits commingling of Ellenburger, Waddell, McKee, Fusselman, Drinkard and Blinbry production on our New Mexico State "H." Lease, comprising the E/2 SE/4 of Section 2, Township 25 South, Range 37 East, North Justis Field, Lea County, New Mexico after separately metering the production from each zone.

We are at present commingling Ellenburger, Fusselman and McKee, each zone being metered. We request that Administrative Order PC-69 of March 22, 1962 be amended to delete all zones from being separately metered except the Fusselman which is the only pool physically capable of producing top allowable. Required production data is attached.

Very truly yours,

HUMBLE OIL & REFINING COMPANY
