Amendment
Administrative Order PC-69

O
Gentlemen:

Reference is made to your letter dated September 28, 1964, wherein you advise that your State BM Well No. 1, North Justis Fusselman Pool, is now capable of producing top allowable as a result of workover.

P
Administrative Order PC-69 dated March 22, 1962, as amended last on September 4, 1964, is hereby further amended to permit the commingling of Ellenburger, McKee, and Fusselman production on your State BM Lease, after separately metering the Fusselman production and determining the production from the other two pools by means of the subtraction method, allocating the production to each on the basis of periodic well tests.

Y
Administrative Order PC-69 is hereby amended to permit the aforesaid commingling in the above-described manner, provided however, that the installation shall continue to be operated in accordance with the provisions of the Commission "Manual for the Installation and Operation of Commingling Facilities," and provided further, that you shall notify the Commission at such time as any well in either the Ellenburger or McKee Pools is capable of top allowable production.

Very truly yours,

A. L. Porter, Jr.
Secretary-Director
