Amendment
Administrative Order PC-70

Gentlemen:

Reference is made to your letter dated January 4, 1964, wherein you advise that the Shaggs-Glorieta, Shaggs-Drinkard, and East Weir-Blinbry production on your C. H. Weir "B" Lease, comprising the E/2 of Section 11, Township 20 South, Range 37 East, Lea County, New Mexico, is now all of marginal nature. Administrative Order PC-70 authorized the commingling of said production after separately metering the Shaggs-Drinkard and Glorieta production and determining the Blinbry production by means of the subtraction method.

Inasmuch as all production going into the aforesaid commingling installation is now of marginal nature, Administrative Order PC-70 is hereby amended to delete the separate measurement provision. Provided, however, that you shall notify the Commission at such time as any well in any of the aforesaid pools is capable of top allowable production.

Very truly yours,

A. L. Porter, Jr.
