PC-58*

May 3, 1962

Pen American Petroleum Corporation
P. O. Box 68
Albuquerque, New Mexico

Attention: Mr. V. E. Staley

Administrative Order PC-73

Gentlemen:

Reference is made to your application dated March 27, 1962, for administrative approval of an exception to Rule 303 (a) of the Commission Rules and Regulations to permit the commingling of the production from the Brinkard, Padlock and Blinney Oil Pools on your State "CR" lease comprising the N/2 SW/4 of Section 19, Township 21 South, Range 37 East, NMM, Lea County, New Mexico, by entering the production from all but the Blinney Oil Pool and determining the Blinney production by means of the subtraction method.

By the authority vested in me under the provisions of Rule 303 (a) of the Commission Rules and Regulations, you are hereby authorized to commingle the production from the aforesaid pools on said lease, in the above-described manner. Provided however, that the installation shall be operated in accordance with the provisions of the Commission "Manual for the Installation and Operation of Commingling Facilities."

Very truly yours,

A. L. POWER, Jr.,
Secretary-Director
