Amendment  
Administrative Order PC-75

O Gentlemen:

P Reference is made to your letter of June 22, 1964, and to subsequent correspondence relating to the amendment of Administrative Order PC-75 to permit Elwyn C. Hale to substitute Blinbry and Montoya production for Devonian and Waddell production in the comingling authority contained in said order. Although your letter of November 16, 1964, to the Commissioner of Public Lands for the State of New Mexico does not mention deletion of the Devonian zone from the comingling installation, we are assuming from your letter of June 22, 1964, that the Devonian as well as the Waddell will be deleted from the installation and the Blinbry and Montoya substituted therefore.

Y We have now received copy of consent from the Land Commissioner to the inclusion of the Blinbry and Montoya in the installation, and Administrative Order PC-75 is hereby amended to permit the comingling of Fusselman, Tubb-Drinkard, Ellenburger, McKee, Blinbry and Montoya production after separate measurement.

Very truly yours,

A. L. Porter, Jr.  
Secretary-Director
